# Replacement Parts for Floor Machines

## Locator & Guide

**Quality Blades at a Discount Price**

# HAVILAND CORPORATION

# ELASTOMER REFILLS FOR AUTOMATICS AND VACS

Haviland Corporation has been pleased to be your **one source** for premium quality replacement squeegee blades at discount prices for over 30 years. Replacement squeegee blades for your floor machines should be as good as, if not better than, the original blades that came on your equipment. This is the mission of Haviland Corporation's Vac Department.

Haviland Corporation is the first manufacturers of replacement floor machine blades to the industry. We have the largest selection of blades made of quality materials. Our materials range from urethanes to specialty oil-resistant products, and everything in between. Many OEMs do not carry replacement blades for obsolete floor machines - **we do**.

Because our customers are our source for the needs of this market, we are always listening to your wants and comments. Through you, we have developed a premium product with specialty materials, numerous sizes, and unusual uses. We value our customers by providing special packaging, marking, or other needs that make your business an added plus to your customers; turning your repair center into a **profit center**!

How to place orders: **Phone, Fax, or Mail** your purchase orders, giving us:

**EXAMPLE: 5 - AD-28.25-4 - (C)**

Quantity

Our part number

If you are ordering a specific blade from the set, put the corresponding letter at the end of the part number.

F.O.B. Our Plant (Linn, Mo.)

Terms: Net 30 days after establishment of credit. VISA and Mastercard are accepted.

A \$15 charge will be added to orders under \$100 net.

Squeegee refill sets under 48" with less than seven blades are single packed in remailable boxes at no charge. (Squeegee sets can also be placed in plastic bags or bulk packed.)

Please send a sample of any non-metallic flat stock material for which you need a quote.

Other blades are available - please call for a quote.

A credit memo, based on price when purchased, will be issued on returned standard products if the freight is prepaid, items are in their original condition, products were purchased within the last year, items are resellable, and Haviland Corporation is notified before the return. **A 15% restocking fee will be assessed on all returns.**

Special, non-stocking blades are nonrefundable.

Shipping and handling charges are \$1.50 per ctn. This charge is added to all U.P.S shipments. Any orders paid by wire transfer will be subject to a \$30 banking transfer fee. Payment is to be in U.S. funds only. We'll do our best to comply with your wishes if you have a preferred routing. We will also try to package products to achieve the least expensive delivery. **An additional \$13.00 fee will be added to orders shipping FedEx Ground.**

**Check all incoming freight for shipping shortages or damages before signing complete.** We cannot proceed with a shortage/damage claim without being notified at time of delivery; therefore, notification is required within seven (7) working days from the date the order was delivered.

**Contact Randy Wolfe, Senior Manager of Operations, Replacement Parts Division, ([rwolfe@havilandcorp.com](mailto:rwolfe@havilandcorp.com)) for new parts, price quotes, or special applications.**

- |                                   |   |
|-----------------------------------|---|
| 1. Why do you replace a blade?    | To avoid streaking, improve clean up time, and avoid down time.   |
| 2. When do you replace a blade?   | When you notice streaking, chattering, or insufficient liquid pickup.<br>Also as preventive maintenance whenever the machine is being serviced. |
| 3. How to store a squeegee blade? | Keep out of sunlight due to ultraviolet rays. Keep away from electric motors because of ozone.  |

To save on down time, always keep extra blades on hand. Orders can be placed at [orders@havilandcorp.com](mailto:orders@havilandcorp.com).
